Modest upgrades that are considerate of the fact that this is public money.

Contribution 12 of 13 | April 20, 2026

More space for students! Instead of parking for district staff

Contribution 11 of 13 | April 20, 2026

Full Time prek-k. As a working parent I cant put my child in your prek or kindergarten because of the schedule

Contribution 10 of 13 | April 20, 2026

Centralizing District offices only helps if they are actually accessible and responding to parents

Contribution 9 of 13 | April 1, 2026

Prioritize student's outdoor learning and playing space

Contribution 8 of 13 | March 27, 2026

Academics

There current high school theater is woefully small and outdated. It serves both the middle and high schools yes does not have enough
